

When **confidence**
and **expertise**
are connected to
your expectations.

LACTALIS GROUP

Founded in 1933, Lactalis is a French family-owned dairy products company that remains a landmark of dairy-making traditions and industrial know-how. Lactalis offers high-quality, delectable and nutritional products both in France and abroad.

- Revenue: 17 billion euros
- 75,000 employees with a presence in over 85 countries
- 229 production sites worldwide

LACTALIS NUTRITION SANTÉ

Lactalis Nutrition Santé was created in 2008 as a specialized division for formulating, producing and marketing products for Infant, Clinical and Sports Nutrition.

Over the years, Lactalis Nutrition Santé has become a key health player committed to meeting the nutritional needs of each country and target consumer.

MILK QUALITY CONTROL:

strict traceability of all the production process: from local milk collection to finished products.

INDUSTRIAL KNOWLEDGE:

6 production sites in France dedicated to nutrition, with flexible and state of art technology, adapted from small to large-scale production.

OPTIMUM QUALITY AND SAFETY:

products are developed in compliance with defined specifications. Stringent controls are conducted at every step of the manufacturing process, respecting HACCP principles.

RESEARCH AND DEVELOPMENT:

innovation and expertise at the core of our product development. A team of experts develop formulas based on the latest nutritional recommendations.

EXPERTISE IN INFANT NUTRITION

With over 120 years of experience in infant nutrition, Lactalis brands have built up world-renowned expertise. These brands are now available in 64 countries.
